

STAG AND HEN WEEKENDS

Call: +44 (0) 333 900 1232

We have a couple of operations perfect for a Stag or Hen event here in the UK.

We have designed some itineraries that provide fun fuelled activities, a chance to let your hair down in an environment that isn't shy of hosting a more 'spirited' group!

We offer the following activities:

- Surf lessons / Hire
- Kitesurf Lessons
- Sea Kayaking
- Stand Up Paddle boarding
- Deep Sea Fishing (the possibility of landing a Shark!)
- Mountain Biking
- Coast Steering

It usually works best to combine 2-3 of the activities over the weekend.

The accommodation can be arranged to suit up to 20 people in one house and we are able to cater for any groups smaller than this in 2-5 STAR style.

We also act as a booking service for your evening meals.

Depending on your preference we are locally connected to most of the restaurants and can book your group tables or private rooms without having to put down a deposit.

Each of the weekends are tailored to suit the group so please call to see a proposed itinerary.

Prices start from £150, (includes 2 nights accom, 2 activities and booking service for your restaurants)

The weekends are run in Devon, Cornwall and South Wales.
